

Rta: The Cosmic Order

By Madhu Khanna (Ed.)

Indira Gandhi National Centre for the Arts/D.K. Printworld (P) Ltd., New Delhi, India, 2004. Hardcover. Book Condition: New. Dust Jacket Condition: New. This volume contains the articles, presented in a seminar at IGNCA on Rta: The Cosmic Order in which a panel of distinguished Indian and foreign scholars interpret the multifaceted theme of Rta from a wide range of perspectives, comparing notions of order in Hindu, Buddhist, Chinese and Islamic speculative thought and with references to ancient Indian Hindu writings and modern science. Combining sound scholarship with a penetrating insight, these essays are a fine example of integrated studies. They give alternative viewpoints on the unity underlying this ancient concept as well as, its relevance in the modern age. Printed Pages: 336 with 34 b/w figures & 21 colour illustrations.
