Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.Excerpt from The Real Chinese Question That is a charitable rule of life which bids us take every man at his best. It is, however, wiser and safer to study each individual as thoroughly as circumstances will permit, and then to strike a balance between good and evil traits of character, accepting the result as a basis for judgment and action, so far as he is concerned. The same rule may be broadened with safety, and applied to nations or races. If, in such use, it serves no other purpose, it will, at least, act as a corrective to ignorant prejudice, and to that most common fault, prejudgment. There is much force, and a wide range of applicability, to that French saying: Les absens ont toujours tort the absent are always in the wrong. Their story is seldom fairly told, the motives and causes which led to any particular conduct are seldom brought into a plain light, and judgment goes against them by misrepresentation or default. This rule of common practice is, also, not less applicable to nations and races than to individual members of the human family.
