Later on he found the same story in a collection published about the beginning of the present century. To the best of his belief, it is some stray fancy of the brain of Hoffmann of Berlin; probably it appeared in some German almanac, and was omitted in the published editions of his collected works. I should dearly like a connoisseur in consciences to consider how far there is a resemblance between a Don Juan and fathers who marry their children to great expectations. Does humanity, which, according to certain philosophers, is making progress, look on the art of waiting...
