DOWNLOAD

Jessica Kingsley Publishers, Inc, 2016. Softcover. Book Condition: New. This important guide for parents of children with autism and other special needs covers sensory processing, toileting, feeding, and much more. With the help of this handy guide, you can bring tried and tested occupational therapy activities into your home and encourage your child to succeed with everyday tasks while having fun in the process. This expanded edition of the award-winning book includes new advice on toilet training, coping with changes in routine, repetitive behaviors, self-regulation and much more. The simple explanations and easy exercises will soon make daily activities enjoyable and productive. It provides clear explanations of common behaviors and offers simple exercises to support development at home. "Cara continues to offer teachers, parents, and heck--anybody who cares about ANY child's learning--consistently positive, workable, RELEVANT tips that simply make learning what it should be: WONDERFUL. Her understanding of kids whose gifts and challenges may befuddle others is utterly sincere. Meaning that every chapter is infused with authentic respect, empowering information, and a whole lot of smarts that actually work. Most of all, Cara knows what it is to be brave: to feel afraid and do it anyway. And because of that compassion, BRILLIANT kids the world over will have the chance to amaze the most important people of all: themselves"--Jennifer O'Toole, author and founder of Asperkids 192 pages. 2016.
