Brand New Book ***** Print on Demand *****.Life is all about variety, and no where is that truer than in the animal kingdom. There are different kinds of dogs, horses, fish, rabbits; you name it. This book will take you into the lives of many of those animals. If you didn t care before, or know that you should, remember that many of these creatures are vanishing from off the Earth. It s my job and yours to see to it that doesn t happen, or to at least slow the downward spiral. If you haven t been to your local zoo in a while, maybe today or tomorrow will be a good time to visit. Some of those same animals may not be here in ten or twenty years. Get to know many of them and get behind them; they all need our support.
