Why Globalization Works (2nd New edition)

By Martin Wolf

Yale University Press. Paperback. Book Condition: new. BRAND NEW, Why Globalization Works (2nd New edition), Martin Wolf, A distinguished international economist here offers a powerful defense of the global market economy. Martin Wolf explains how globalization works, critiques the charges against it, argues that the biggest obstacle to global economic progress has been the failure not of the market but of governments, and offers a realistic scenario for economic internationalism in the post-9/11 age. For this paperback edition, Wolf provides a new introduction to update the debate. "Splendid. The definitive treatment of the subject, and an absorbing read."--Economist "A wealth of material on every page."--Wall Street Journal "Accessible and clearly argued. A wealth of material on every page."--Bruce Bartlett, Wall Street Journal "[Written by] one of the world's most respected economic journalists, this elegant and passionate defense of trade liberalization is essential reading."--Arvind Panagariya, Foreign Affairs "A powerful book."--Sebastian Mallaby, Washington Post "No one has summarised more coherently the recent, voluminous research. Elegantly and persuasively, Wolf marshals the facts."--Niall Ferguson, Sunday Telegraph "A necessary and compelling read for all who want to understand the logic of unfolding events."--Robert Skidelsky, New Statesman.
