HEART FULL OF HOPE

Createspace, United States, 2012. Paperback. Book Condition: New. 239 x 165 mm. Language: English . Brand New Book ***** Print on Demand *****.With poignant detail, Geery opens up her heart and guides you through an ordinary life in a way that shows you that, even in the ordinary, there are miracles. Heart Full of Hope is a fascinating peek into the experience of growing up. Geery delights with stories of her running away on her first day of school and memories of riding in a car called Mushroom. Then, as in life, these humorous anecdotes are balanced amongst tears as she shares about the experience of losing her mother at the tender age of twelve. Travel with her through the death of a sister and brother, whom she adored, the loss of a husband, motherhood, dreams, and hopes. She delves into subjects that can bring pain and, just as eloquently, expresses potent themes of humor, love, and courage that are applicable to humans everywhere. These essays have brought tears, joy, laughter, and personal awakenings to many as they have found fresh ways to look at their own lives. Not only do they offer practical, valuable lessons, these stories offer mental anchors to visit regularly while contemplating your own life's purpose. They are down-to-earth, realistic, and a strong counterbalance to the news and lunacy we encounter daily. They bring smiles to the most pessimistic and often tears to those recalling similar situations. Prepare to meet an eighty-year-old meth addict, a whimpering alcoholic in an earthquake, and beautiful surrogate parents. Discover mental disabilities that are so often hidden, witness the joy that can be found in nature and find the miracle in the penny at your feet. Enjoy, learn, reflect, and very possibly change your life for the better, as you...
