Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 213pp. This selection from the articles and interviews by Professor O. P. Mathur presented at various national and international conferences and seminars and those published in various Indian and foreign journals and books covers a broad range of authors and themes. Out of Professor Mathur's many articles on different subjects, this book presents a selection from his articles on Indian English fiction alone. The papers contain original approaches and insights and the interviews bring out interesting and, in some cases, hitherto unknown information. It is hoped that the book will be of use to scholars, teachers and students of Indian English literature as much as to laymen who may be curious to know something about this important branch of Indian literature.
